

Altimetrik Telecom project Screenshots

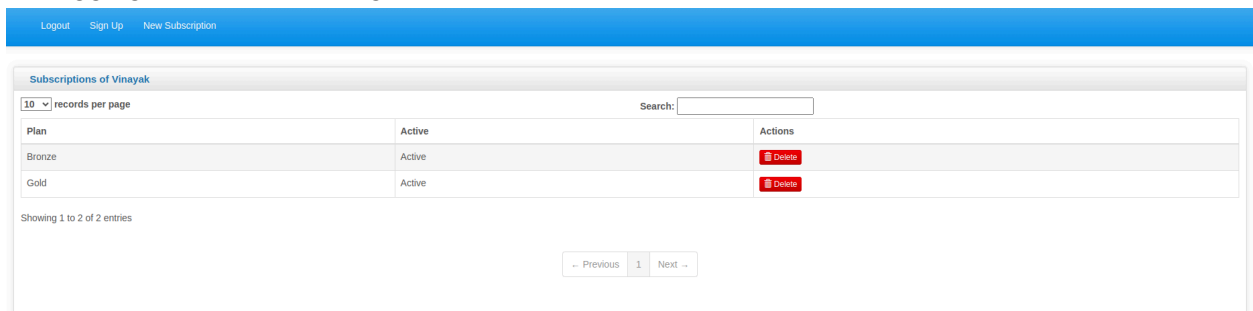

List of customer page. Since login and security features are not implemented, anyone can login as any user without password.

The screenshot shows a web application interface for managing customers. At the top, there is a blue navigation bar with links for "Logout" and "Sign Up". Below this, a "Customer" section contains a table with columns for "Name" and "Actions". The table lists two customers: "V1" and "Vinayak", each with a red "Login" button. A search bar is located at the top right of the table. The page also includes a "records per page" dropdown set to "10" and pagination controls at the bottom showing "Showing 1 to 2 of 2 entries".

Name	Actions
V1	Login
Vinayak	Login

On logging in, user has a page with their subscriptions list:

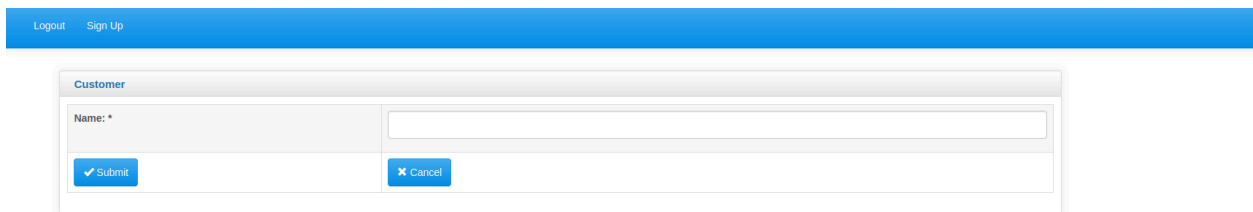

The screenshot shows a web application interface for managing subscriptions. At the top, there is a blue navigation bar with links for "Logout", "Sign Up", and "New Subscription". Below this, a "Subscriptions of Vinayak" section contains a table with columns for "Plan", "Active", and "Actions". The table lists two subscriptions: "Bronze" and "Gold", both marked as "Active". Each subscription has a red "Delete" button. A search bar is located at the top right of the table. The page also includes a "records per page" dropdown set to "10" and pagination controls at the bottom showing "Showing 1 to 2 of 2 entries".

Plan	Active	Actions
Bronze	Active	Delete
Gold	Active	Delete

They can delete subscription with red button.

User can sign up with option on top menu

The screenshot shows a web application interface for signing up a new customer. At the top, there is a blue navigation bar with links for "Logout" and "Sign Up". Below this, a "Customer" section contains a form with a "Name: *" label and a text input field. At the bottom of the form, there are two buttons: a blue "Submit" button and a blue "Cancel" button.

Customer

Name: *

[Submit](#) [Cancel](#)

Since login is not a part of POC, there is no password in picture.

There is a super user who can do CRUD operations of users, subscriptions and plans using django admin interface:

HomeCustomerPlans
